

1. Open

- Briefly introduce the Buhl Club and the Baughman Family Community Center.
- State the purpose of the facilities:
 - Share the story of the organizations
 - Explain the relationship with Buhl/BFCC.
 - Explain the impact on the community

2. Background of Buhl / BFCC

- Share the history of Buhl and the more recent story of the BFCC.
- Community leaders, private donors, and partners came together when it mattered most.
- Vision: turn a closed school into a state-of-the-art community center
- Result:
 - Creation of the Baughman Family Community Center.
 - Building filled with activity again instead of sitting empty.
 - Revitalized the center of town.

4. Impact on the Community

- Thousands of community members use the Buhl Club and Baughman Center each year.
- Programs serve people from all demographics.
- Residents from across Mercer County participate.
- Benefits include:
 - Youth development
 - Recreation and athletics
 - Safe and positive gathering space
 - Economic and community revitalization

5. Role of State Support

- Emphasize that the organization works hard to generate its own revenue.
- When major projects arise, the organization looks to the state for help.
- Thank the committee for support through various state programs.
- Explain how these investments help maintain and improve facilities.

6. Closing

- As BFCC grows and redevelops properties like the former middle school, infrastructure needs arise
- State support helps:
 - Keep membership and program costs low.
 - Ensure access for every student, family, and adult who wants to participate.
